WHEREAS, Section 63-11-20, Utah Code Annotated, 1953, as amended, relates that: "All roads connecting state parks with federal, state or county highways or city streets where the title thereto is in the state are parts of the state highway system and are to be maintained by the state. The state road commission is authorized to construct and maintain roads within state parks subject to approval of locations and design by the commission through its director", and

WHEREAS, it is the desire of the Utah State Road Commission and the Utah State Division of Parks and Recreation to define responsibility for the administration of roads at state parks, and

WHEREAS, it is agreed between the State Road Commission and the State Division of Parks and Recreation that certain roads meet the criteria set forth in Section 63-11-20, UCA, 1953, as amended, and

WHEREAS, those roads at state parks that are part of the State System of Highways should be identified by a number.

NOW THEREFORE, in accordance with Section 63-11-20, UCA, 1953, as amended, it is hereby resolved as follows:

That the roadway from the boat ramp at Steinaker State Park northeasterly to State Route 44 near the north end of Steinaker Reservoir, a distance of 2.1 + - miles, be identified as State Route 301,

That the map attached illustrating the action taken herewith be hereby incorporated as a part of this submission.
